

SWDRA POINTS SYSTEM AND RULES
2023 RACING SEASON
Rules and Regulations for SWDRA Members

To become a SWDRA member, it is a \$30.00 annual membership fee per class. This allows a racer to turn in points to accrue for awards at the end of a racing season. **A racer may run in more than one class providing they have paid \$15.00 additional membership fees per extra class.** Points are only awarded to a driver, not a car or car number.

Point slips will be filled out completely and all slips will be submitted in run order. No slips will be accepted without a SWDRA points form. Forms can be printed off the www.nmswdra.com website or picked up at monthly SWDRA meetings. Also available at the Albuquerque Dragway with current SWDRA Board Members.

Board members are elected every 2 years. At the end of 2022, a new Vice-president and Treasurer/Secretary will be elected to serve until 2024. At the end of 2023, the election for President will take place. At the November meeting, SWDRA will accept nominations and in December voting will occur. New Board Member will take their position in January.

President resides over monthly meetings and all SWDRA functions.

Vice-President assists President with his duties.

Treasurer/Secretary records all meetings and handles all money.

Website manager will take care of points and website.

Board members will resolve all point disputes and problems among SWDRA members.
